

Financial Forecasting and Revenue Analysis

Info

Download **user manual** and get to know the key information of this tool.

Finance view

Retrieve **P & L statements** for any customer, product, country, or combination of these entities across various time periods and beyond..

Sales view

Analyze the achievements of your customer(s) across crucial metrics such as Net Sales and Gross Margin, and visualize these results within the context of a **profitability/growth matrix**.

Marketing view

Analyze the effectiveness of your product(s) by examining crucial metrics such as Net Sales and Gross Margin, and visualize the results within a **profitability/growth matrix**.

Supply chain view

Obtain **forecast accuracy, net error, and risk profile data** for products, segments, categories, customers, and other relevant entities.

Executive view

A **top level dashboard** for executives consolidating top insights from all dimensions of business.

Support

Connect with our support specialists to address and **resolve your Issues**.
